

# HAMPTON LIFE SAVING CLUB

*2020–2021 Annual Report*

# CLUB PATRON, TIM WILSON MP

*Federal Liberal  
Member for Goldstein*

Congratulations to Hampton Life Saving Club on another year of supporting safety and liveability for our wonderful community.

The club's patrols, carnivals, Nippers and social events are a feature of the summer season and a welcome contribution to our local lifestyle.

Summer 2020-21 was a welcome reprieve from many of the challenges of 2020, but as 2021 progresses it is a reminder that we cannot be complacent. It also means we should be grateful for what we have.

It was an immense pleasure to attend the Life Members' lunch and Pink Patrol honouring past and present contributions of women lifesavers. Our community's sense of fairness and equality has always been a pillar of its strength.

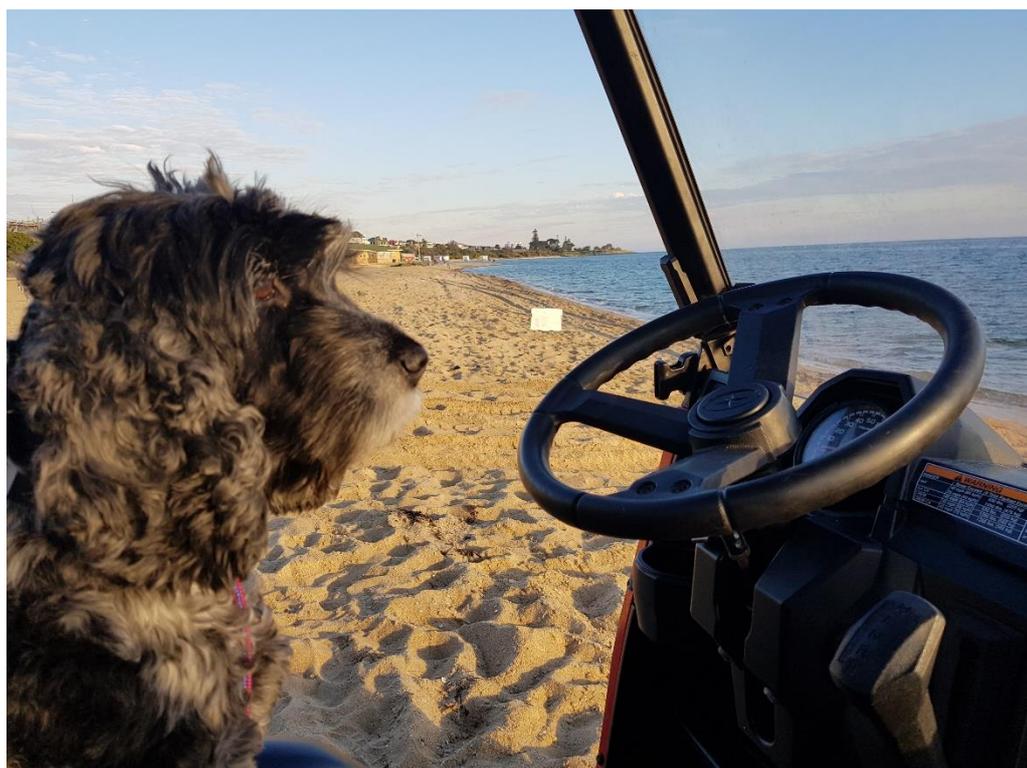

The need for strong community organisations has never been more crucial. Behind every community group are the volunteers who give selflessly for the

*Tim Wilson at the Pink Patrol and Life Members event*

betterment and safety of us all. Your dedication and sacrifice are vital to the successful operation of the club as a critical part of our social fabric.

Thank you for your continued service to our community. Go Hampton!

*Cover photo of this year's youth-led satellite patrol. Thank you to Carol Lawrence, Caroline Webster, Chris Eastman, Chris Sando, Darren Stone, Janine Mitchell, Kerrie Curtis, Nick Forbes, Sam Dwyer, Steve May and everyone whose photos appear in this report.*

# PRESIDENT'S REPORT

---

*Andy Lawrence, Board President*

What a season!

My first season as HLSC president was certainly a baptism by fire! I commenced the role during lockdown and did not know how the season was going to pan out, what programs we would be able to run, what patrols would look like and so on. Thanks to Annette for stepping up to be our primary COVID-safe coordinator. Thanks also to all of our other members who undertook COVID training to help keep us in line!

In spite of the pandemic, we had a fantastic season.

Here are just a handful of the many highlights:

- An increase in membership numbers
- Our biggest-ever Starfish group
- Amazing success at sports carnivals—including states and Aussies
- Finalising our much-needed renovations

First and foremost, we are a lifesaving club, providing a service to the community and ensuring a safe, friendly and welcoming environment for all visitors to Hampton

Beach. Again this season, we excelled, maintaining 100% compliance and responding when necessary. Thanks to Lucas for keeping a tight ship and also for the Pink Patrol, Blue Patrol, and the satellite youth patrol. These were great initiatives that help engage and develop our youth and young adult members into leaders. From what I have witnessed, the future of HLSC is in good hands.

At the start of the season, we were not sure if there would be any Nippers program! We finally got underway and the restrictions gradually subsided. I'm pretty sure everyone enjoyed Nippers—well done Kirsten, Peter and your teams for putting on a great season at very short notice and a big shout-out to our junior coaches for their huge contributions.

We also had the largest-ever Starfish program this season—it's great to see so many people enjoying themselves and challenging themselves on the beach and in the sea. We are very much indebted to Kerrie and her team for this amazing program that continues to expand and succeed.

This year saw the training team take on a new look, as it has been

predominantly made up of young adult members. Annual requal was very different, due to COVID restrictions, and many of us believe it worked better than before! Thanks to our chief instructor, Jas, for organising and running this so smoothly. In addition to requal, our training team ran at least one session of pretty much every major lifesaving award. This is a great effort, and as a trainer/assessor and past chief instructor myself, I know how much time this takes. A big thank you to all of our trainers and assessors for your enthusiasm and commitment—maintaining and enhancing lifesaving skills and life skills in general is a really important part of the club.

What a year for sport! Hampton is fast becoming THE club that dominates on the beach. Thanks so much to Daryn and his team of coaches and parents who run training sessions, organise carnival teams and water safety, act as officials, get everyone there and back, and manage all of the admin. We had outstanding results and we are very proud of everyone's performance at carnivals, states and Aussies.

This year, we finalised renovations to the changing rooms and bathrooms—we were lucky enough to get this done during lockdown when the club was mostly closed. Thank you to everyone involved in making this happen, particularly Carol who managed the team. We also secured grants to replace the roller doors

downstairs and implement a fob-key building access system. Thanks, Helen, for driving these important improvements, as well as all your other contributions to making HLSC membership so enjoyable.

As you can imagine, we have a number of members who perform critical roles behind the scenes. In this regard, I want to mention Kathryn, who worked hard to process our membership applications, renewals and working with children checks. Also, thanks to Amy for coordinating comms. Great work both of you, plus many others. It is reassuring to see that HLSC has a strong culture of volunteering and helping each other out. Long may it continue.

I would also like to publicly thank my fellow board members, especially Sam for being such an energetic and effective secretary. Also, thanks to Don for driving our strategic review and five-year plan that we will unveil in due course. I am fortunate to be surrounded by a great team. In addition, a big thank you to everyone who volunteered in any capacity this year—each role is vital and your help is much appreciated.

Finally, inclusion is important to me personally and HLSC generally. I hope to see you all back next season for another year of fun and community service. Spread the word—bring along your friends to show them what they are missing!

# SECRETARY'S REPORT

---

*Sam Dwyer, Secretary*

My second year as secretary kicked off with the challenge of running a constitutionally viable AGM online. Throwing this in with LSV award nominations, club awards and the annual report didn't really give our team the brief respite we usually look forward to over winter. The 2020 AGM was quite strange, with Yvette Costello, Daryn Marcus and myself, masks on and spread across an otherwise empty hall, staring at a sea of faces (or initials) on our screens. I was disappointed for the award winners, too—it definitely wasn't the fun and social event we usually enjoy.

## **Membership**

Due to the second COVID lockdown, our team had to reinvent the way we handled membership. We tried to get some of the hard work out of the way early, dreading we'd end up having 700 members renewing the moment we came out of lockdown. The membership team's hard work may not be evident on the beach, but it is an important part of keeping us there. Thank you to Kathryn Parfett for stepping up again this year and for supporting new membership stars Zoe Murdoch and Laura-Jay Goudie. This fabulous team enrolled 839 members, 272 of whom were nippers. So, despite COVID, we welcomed 100 more new members than the previous year!

## **Member Welfare**

Craig James has been our member protection officer for four years and has always done a great job of supporting our members and handling complaints and queries. Fortunately, Craig wasn't too busy this year! Our club chaplain, Colin McInnes Smith, also did outstanding work, greeting people on the beach and supporting Nippers and Starfish on Saturdays.

## **Club Historian**

Thank you to Chris Eastman, who continues to collate and archive photographs and other items from our club's history. Chris also ensures the display of any

awards the Club wins and I'd like to thank him for his support when it comes to rounding up our trophies to prepare for annual awards.

## **Surfguard Registrar**

Thank you again to the Surfguard Fairy, Marc Smith, who deciphers everyone's handwriting in the patrol book to record water safety and patrol hours.

## **Communications**

Thank you first to Amy Derksen, who hammered through her second year as communications manager. She redesigned the website, harassed the directors for monthly newsletter content and ensured our news was disseminated through our various social media platforms. She has also put together another great looking annual report, which is a mammoth task even before you have to chase everyone for their contributions. Well done, Amy, for putting together this fantastic report on our season.

I would also like to thank one of our younger leaders, Samuel Marcus, who volunteered to commandeer our Instagram account and get our photos and news out on a fresh platform.

I am very lucky to have had the support of such a professional and enthusiastic team!

# FINANCE AND STRATEGY

---

*Don Smith,*

*Director of Finance and Strategy*

It's been an unusual year, with cash in bank \$40,000 lower than the year prior due to COVID and club improvements. Our up- and downstairs bathrooms, and upstairs kitchen, have been renovated. Roller doors were replaced, glass doors were repaired and a new fob security system was installed. An unexpected benefit occurred when Bayside Council accidentally removed our aging (but working) upstairs aircon units, and have committed to replacing them free of charge. Our club is now well placed for a post-COVID recovery!

Grant income was very good last year, with \$97,000 from LSV for renovations, provided we added \$40,000 of our own savings. Starfish Nippers also received a substantial grant of \$20,000 from the Portland House Foundation, which will be spent in the coming season.

Unfortunately, there were significant impacts due to the pandemic. Membership fee and hall hire income were down, due to a shorter season and functions, yoga and fitness training not allowed. Kiosk and bar sales, uniform and merchandise sales, competition fees and sponsorship also suffered. COVID cleaning and other costs added expense.

Other expenses increased, but any new patrol and nippers equipment was purchased prudently, tapping COVID recovery funding and grants by LSV and SLISA.

Even after a severely disrupted season, we have maintained a healthy balance of over \$236,000.

Great news on the strategy front—the board and a team of Bayside strategy experts have launched a club strategic review to set a course for the next three to five years. We expect to complete this by the start of the season and look forward to sharing details. Thank you to the 60+ members who participated in the survey to provide important guidance and feedback.

Thank you, too, to wonderful members who helped with finance and strategy—Steve May, Annette Sando, Chris Sando, Gavin Coote, Sam Krull, Grace and Erin Smith and Laura-Jay Goudie. And to my fellow board members, always kind, supportive and simply the best!

# MEMBER SERVICES

---

*Helen Partridge,*

*Director of Member Services*

In a season much impacted by the pandemic, we still managed to achieve a great deal.

## **Renovations, Upgrades and Maintenance**

In 2020, we received a \$20,500 grant from the State Emergency Services Critical Maintenance and Repair Program. New roller doors were installed in February 2021 to replace our rusted ones before they became unsafe to operate. We also installed an electronic fob access control system to two external and six internal doors, with fobs for patrol captains, sports leaders and others who require access to open and operate the club. Obsolete physical keys will be collected.

In addition, a \$10,000 grant from the Commonwealth's Stronger Communities Program Round 6 will be used to renovate the kiosk and gym flooring this winter.

The club also engaged professional cleaners on a weekly basis to ensure compliance with LSV COVID cleaning standards.

Thanks go to Darren Stone and Paul Harding for keeping on top of maintenance issues, and to Carol Lawrence for helping out in myriad capacities.

## **Events**

Nippers BBQs, the kiosk and Sundowners were run each week—thanks to the volunteers who stepped up to help cook and serve the hungry and thirsty hordes. Santa paid us a visit via IRB, delivering lollies for Christmas Nippers, and thanks go to Jas Lawrence, Jessie Tammesild and Santa (you know who you are)! The Life Members Tea went ahead as planned. And two more members, Susie Massey and Stuart Worn, received their RSA certificates and are ready for bar duties.

## **Hall Hire**

Some hire events were able to take place between lockdowns, but not many. Thank you to Sienna Costello who was our hall hire manager for the season.

# LIFESAVING OPERATIONS

*Lucas Welsh, Director of Lifesaving Operations*

In a season unlike any other, there's no way to start but by thanking all the patrollers who committed their time and adapted to the protocols, processes and other requirements of COVID-19. It would have been understandable if members were hesitant, given the risk of COVID-19 transmission, but all stood up to selflessly look after the well-being and safety of the community at the beach. Over 2,600 patrolling and water safety hours were provided!

## Special Thanks

Chief Instructor: Jasmine Lawrence  
Powercraft Officer: Jesse Tammesild  
First Aid Officer: Nick Forbes  
Gear Steward: Peter Costello  
Radio Officer: Nick Forbes  
Patrol Hours/Admin: Marc Smith

As always, I'd like to thank my patrol captains—Yvette Costello, Kerrie

Curtis, Graham Davis, Sam Dwyer, Nick Forbes, Paul Harding, Paul Laney, Andy Lawrence and Jasmine Lawrence—and their teams, who each take on at least six patrols during the season. Your efforts and experience make it much easier to organise patrols and keep the beach safe. The club is extremely proud of the quality of service and support you offer to the public.

The ever-successful Pink Patrol continued this year under the theme, "Save Lives Like a Girl"—thanks to Mia Osler and Sophie Pratt for organising. It was wonderful to hear the experiences of Betty Macauley, Veronica Croaker and Janine Mitchell shared at the life members tea held the same day.

In a first for the club, Tom Horton and Fred Shaw put up their hands to organise a Blue Patrol, focused on "Saving Lives on and off the Beach". Tom and Fred looked to raise awareness of mental health for patrollers. Although the weather was quite inclement, a large number of people turned up to hear Peter Bellion talk about dealing with PTSD after his time with Victoria Police and Luke Richards talk about how open water swimming and relying on friends helped lift him out of

dark times. LSV is looking to push this great event further next year.

Through the generous support of SLSA, LSV and the Bayside Council, the club was able to acquire equipment to fully set up a satellite patrol including a defibrillator, oxygen set, etc. at Green Point. Thanks to Samuel Marcus for running this patrol and attracting many of our youth members to participate.

Thank you again to all—here's to another successful season in 2021-22!

# TRAINING REPORT

*Jas Lawrence, Chief Instructor*

This season has certainly been interesting to say the least! Nonetheless, we were able to have a very successful season of training. Firstly, I would like to thank all the trainers and assessors for volunteering your time and being flexible with all the last-minute COVID-19 changes that have thrown a spanner in the works! Your help and support are greatly appreciated.

Congratulations to everyone who completed new awards this season!

**Surf Rescue Certificate:** A whopping 26 candidates from Hampton, plus three from other clubs

**Bronze Medallion:** 16 candidates—all from Hampton

We were very pleased to be able to run successful SRC and BM camps in the school holidays for the first time.

**IRB Crew:** 10 candidates

**IRB Driver:** 1 candidate (congrats Sam Marcus)

**First Aid:** 10 candidates

**CPR:** 6 candidates

**Advanced Resus:** 8 candidates

**Beach Management:** 5 candidates

Jesse Tammesild and I also had the incredible opportunity to be accepted by LSV to complete the Rescue Water Craft (RWC/Jet Ski) qualification in April—hopefully we can pop past Hampton when patrolling the bay next season.

I would also like to mention our members who will be completing their Training Officer Certificate over winter. We are excited to have you on board!

If you are interested in any form of training for next season, please contact me at [training@hlsc.org.au](mailto:training@hlsc.org.au)

See you next season!

# POWERCRAFT REPORT

---

*Jesse Tammesild, Powercraft Officer*

Thanks to everyone who contributed to IRB operations as a driver or crew this season. Your involvement is vital in allowing HLSC to continue supporting our community and providing immediate assistance to those who need it. It was a very different season, due to COVID-19—and I am sure we all loved the extra cleaning—however, it was still busy. Not only did we provide the usual support for patrols and Nippers, but also for local triathlons and LSV carnivals.

Congratulations to our new IRB crew members this season—Honour Charles, Tessa Coote, Ben Davis, Josh Knott, Madeline Marcus, Mia Osler, Sophie Pratt, Erin Smith, Chloe Stone and Jesse Thompson. You all showed exceptional ability in difficult conditions. This season we only had one member in our drivers' course—well done, Samuel Marcus! You showed great

control and determination. We hope to see many more members gaining new IRB awards next season.

I would like to thank all our IRB trainers and assessors for their contributions. Without you, we wouldn't be able to continue to provide this great rescue resource to the community.

Overall, our power craft equipment was trouble-free, to the outboards. The only major issue was with a motor that required a repair that was not financially viable. However, we already have a new outboard on the way to replace it.

We had a change in the logbooks this season, so there's no list of hours to share. We thank all active drivers and crew and hope to see you next season.

# NIPPERS

*Kirsten Cleland,  
Director of Junior Activities*

What a year to take over from the previous director—the amazing Pete Hetherington—as the new director of junior activities. This Nipper season was quite unlike any we have seen before, starting with being unable to commence in November due to COVID-19 restrictions on large sporting events.

Still, young people and their families in Hampton, Sandringham, Brighton and beyond didn't let us down as we had 196 registrations for the season, including a large intake of 47 nippers in the U6 group.

So, in the context of social distancing, QR codes and equipment being washed more than it has ever been,

we started the season with the usual excitement, thanks to our impressive group of junior coaches, age group managers (AGMs) and parent helpers. Nipper sessions were sometimes chaotic, as we all worked within a revised programme and without the usual preseason information sessions for new parents and AGMs. However, we still managed to offer a range of beach and water activities to help the nippers develop their lifesaving skills. As with every season, many a friendship was formed and renewed.

We were very fortunate to have a large number of U13s successfully complete their resuscitation certificates and U14s complete their surf rescue certificates (SRCs) in December. This is a great demonstration of how HLSC are developing younger members to take their next steps in lifesaving. Thank you to Jas Lawrence and

her awesome team of trainers, as well as Sam Dwyer, Helen Partridge and Mia Osler, for working with the U13s and U14s to help them achieve these awards.

Junior coaches continued to impress with their maturity and sense of fun in training the nippers and acting as water safety officials. We farewelled some junior coaches and warmly welcomed new ones. Their professionalism was greatly appreciated by the families. I would also like to congratulate our nipper captains, Elizabeth Auditore and Savannah James and our sport captain, Caitlyn Henry.

The very popular Aquaglide equipment came out whenever the weather allowed, and we had a fantastic time on the mats and trampolines. While COVID-19 added complexities to our season, the weather also wasn't on our side, forcing us to cancel sessions due to poor water quality. It is always disappointing to do this, however, our focus is to always ensure the health and well-being of our participants.

We were happy that we could hold club championships for lifesaving skills (U12-U14) and sport after some terrible weather closed the beach. Club Championships in Sport allow all ages to display their skills on sand and water, while the Club Championships for Lifesaving lets senior nippers shine in demonstrating CPR and live patient assessment skills. The overall club champions are determined by combining sport and lifesaving results. It was fantastic to see so many nippers participate and demonstrate all they have learned over the season. There were lots of laughs and smiles throughout the day.

I'd like to thank our fabulous AGMS: Anita Jennings, Ashley James, Sarah Lanzafame, Louise Scales, Jesper De Boer, Alex Proskurnya, Jenn Walker, Damien Scales, Stuart Worn, Scott Krischock, Annette Sando, Kerry Osler, Chris Auditore, Nadine Phillips, Michael Pratt, Tiff Welsh, Delphine York, Cam Hollingworth, Grant Henry.

Nippers cannot function without the support of AGMs, parent helpers, junior coaches and water safety officers. I look forward to seeing you all back on the beach in November 2021 for the start of the next awesome Hampton Nipper season.

# STARFISH NIPPERS

---

*Kerrie Curtis, Starfish Manager*

That's a wrap for our eighth Starfish Nippers season at Hampton! We had an absolute ball, despite the less-than-ideal weather, with cold temperatures and clouds arriving every Saturday at 3pm! Everyone still had a blast—lots of fun and laughter.

We were thrilled to welcome six new Starfish this season: Sam, Maalik, William, Roni, Charlie and Louis. You have each settled in so well, grown in confidence and learnt so much over such a short season! It was also so wonderful to see one of our earliest Starfish, Jackson, rejoin us after a couple seasons off.

I am constantly astonished by how our Starfish arrive full of energy every week, ready to have a go at learning something new or giving something challenging another try. You should all be so proud!

Our four groups have continued to advance smoothly under the skilled, caring guidance of their team leaders: Mitchell and Paul, Daryl, Janine, and Sasha. I cannot thank you enough. And this year, Harry Curtis stepped up to manage water safety, with Darren and Graeme providing weekly support.

A new initiative this season saw a small but rapidly growing number of Starfish, led by Zoe Murdoch, start to explore Bronze Medallion skills. Each week, the group met early to learn about CPR, patient assessment, radios and signals—we're so impressed

with your new capabilities, as well as your dedication and commitment. Well done, Zoe—your expertise and passion is very much valued and appreciated.

I know I say this every year—but HLSC really does have the best Starfish mentors in the country! You turn up every week, ready to take on whatever comes your way with a reassuring smile, compassion, understanding and a laugh. My heartfelt thanks to each of you.

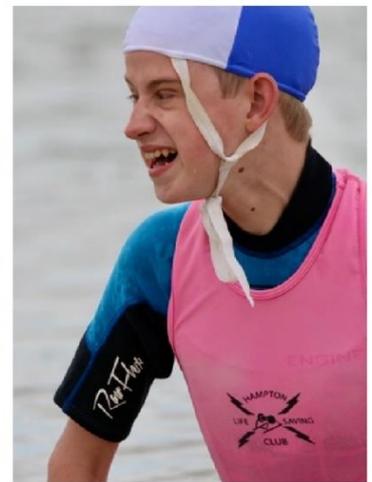

Finally, my deepest thanks to Kirsten Cleland, our Director of Junior Activities for being an amazing champion over the season, as well as to the HLSC Board for your continued support.

Enjoy your hot chocolates, warm fires and company of family and friends over the cooler months and we look forward to seeing you when the sun warms up again!

## **Thank you for generous grant support!**

Late in the season, Hampton Starfish Nippers were approached by the Portland House Foundation, a philanthropic family who supports programs by invitation only. We are thrilled to announce that Starfish Nippers at Hampton was successful in being awarded \$20,000 to further develop the program and support its extension to other life saving clubs in conjunction with Life Saving Victoria. I'd like to extend sincere thanks to the Hains family for your generous support on behalf of every Starfish your contribution will touch. We look forward to facilitating the growth of Starfish Nippers throughout Victoria.

# JUNIOR LEADERS

*Peter Hetherington,  
Junior Leader Coordinator*

Now in our third season of the Junior Coaching Program, we welcomed back 16 experienced coaches who were joined by 12 junior club members ready to start their coaching training. This large number of junior coaches allowed us to allocate a permanent coach to each Nipper group, as well as having the benefit of several 'specialist' coaches to assist teaching specific nipper and lifesaving skills.

In a first this season, eight of our new coaches were from the U14 nipper group. These new coaches completed the Australian Sports Commission Course online and participated in a practical training session held by Michael Pratt. They will continue their coaching training and, once eligible, will complete the SLSA Surf Coaching accreditation.

As in previous seasons, the junior coaches excelled in their responsibilities on the beach. Each week, the coaches confirmed their availability, reviewed their programs prior to the sessions and arrived early on the beach to attend their briefings. We are so proud of how these experienced, fit role models conduct themselves on the beach.

This season, the Junior Coaching Program was a finalist at the LSV Awards of Excellence in the category 'Outstanding Achievement of the Year.'

Each week, nipper coordinators received positive feedback on the standard of coaching from appreciative nipper parents. The nippers themselves also formed positive relationships with their dedicated

*This year, Erin Reed attained the highest lifesaving qualification, the Gold Medallion. She is the only HLSC member to currently hold one. Erin was also selected to participate in a rescue demonstration for the LSV International Womens Day event.*

coaches over the season. It was especially pleasing to watch the junior coaches competently teach CPR and live patient assessment to nipper groups U10 and up.

It's fantastic to see so many junior members actively involved at the club and observe the huge benefit their skills provide to the Nipper program. Congratulations, coaches, on another great season and thank you to HLSC for supporting this remarkable program.

## SPORT UPDATE

---

*Daryn Marcus, Director of Sport*

Two words sum up the 2020/2021 sports season for me: resilience and determination.

After the untimely ending of the previous season, with the cancellation of Youth/Senior States, Aussies, the Gippsland Lakes Paddle Challenge, the pool lifesaving season and the IRB racing season, we emerged from two rounds of lockdown with a lot of questions.

Would there be a sport season? What form would it take? When would it start? How would training be run in a COVID-compliant manner? Could club equipment be used whilst club rooms were off limits? How would carnivals look? The answers were in the hands of the state government and Life Saving Victoria.

As the second lockdown drew to a close and guidelines around training and competing in groups began to firm up, the traits of resilience and determination really shone through and continued to be on display throughout the season.

**Resilience:** Once training was permitted, small groups informally came together to train whilst maintaining social distancing on the beach. We saw a willingness to adhere to COVID-compliant guidelines and, in the case of our more junior aquatic sports competitors, we observed a fantastic eagerness to continue to train throughout the season—even though restrictions meant they were ineligible to compete at LSV events or represent HLSC at states.

**Determination:** The recommencement of carnivals in January brought along a whole new set of challenges, not least of which including officials frantically washing down flags between heats whilst competitors looked on, bemused. Our athletes did themselves proud in embracing the limited season, with reduced events and separate water and beach sessions, and their attitudes brought great success at all levels. From juniors through to youth/senior and masters we thrived, with a special mention for our senior women's beach team who excelled at Aussies this past April.

The enjoyment and success of this season would not have been possible without the continued support and contribution of so many members of our club, whether coaching, officiating, providing water safety, taking on IRB duties, managing entries, or ferrying athletes to and from training and carnivals. Special thanks also to our sponsors, Amalocal, Salta and Nexus Industrial.

Sports and the competition squad exist for the benefit of all members, whether your ambition is to win a medal or to have fun participating in training and carnivals. I strongly encourage everyone to get involved and I can assure you that the competition squad would love to have you on board.

Even given the COVID-driven frustrations and disappointment of the past year, I have thoroughly enjoyed my three years as the Director of Sports for HLSC and I look forward to supporting your new director going forward. Go Hampton!!!

# JUNIOR SPORT

*Chris Sando, Junior Team Manager*

It was a pretty unusual summer from many angles, and Junior Sport was no exception. With lockdowns and restrictions delaying the start, a group of intrepid parent swimmers actually got things rolling with a bay swim group in October. The club kindly lent out boards to keen comp squad members and the swim group morphed into a swim/paddle group.

By mid-November, formal training was back, attended by an eclectic but always keen mix of parents, juniors

and youth nippers. It was great to see these well attended, even though carnivals were limited. Only two were scheduled for the U12s and U13s, plus State Champs. There were none for U11s down to U8s.

## **Hampton Pier to Pub**

With limited comp opportunities, in true HLSC style, we diversified. A keen few targeted the digital Pier to Pub, a 1200m open water swim normally held at Lorne. This year, you could swim it anywhere in the world and upload your time. A die-hard group of juniors, youth and masters had fun working on their swimming, whilst debating how, when and where to run our mini Hampton Pier to Pub. In the process, we discovered many ways to swim the 1200m, including: "The Box", "The Big W", not to mention "The Comma". In the end, we went for "The Big Cigar". We had a great morning, getting it done on December 20th just before Christmas breakup. Well done to everyone who was part of the training and event.

After Christmas, limited junior carnivals kicked in with Mordialloc on 31 Jan—which turned out to be beach-only due to poor water quality. We had two boys and seven girls competing. A great day on the beach—as we blew out the cobwebs after a long break and ribbons for HLSC in long run and flags.

Our second carnival at Ocean Grove on 20 Feb was attended by ten dedicated U12 and U13 girls who put in some gutsy performances in the big waves.

## **State Champs**

Finally, State Champs took place at Warrnambool on the Labour Day long weekend in March. Hampton was superbly represented by our U12 and U13 girls—great sportswomen and excellent team mates.

## **Under 12 Competitors**

Abbey Lyons	Lauren Smith
Millie Welberry	Venetia Wallace
Daisy Welsh	Alexandra York
Isabel Horton	

## **Under 13 Competitors**

Caitlyn Henry	Elizabeth Auditore
Savannah James	Stephanie York

Our talented girls really shined, winning medals, gaining points and finishing 12th out of 22 clubs. A fabulous result given we had no boys competing.

## Outstanding Results

Savannah James placed 5th overall in the U13 girls beach champion competition, winning:

- Gold in belt and reel with Stephanie York
- Bronze in beach sprint
- Bronze in aqua cameron
- 6th place in beach run

Stephanie York placed 8th overall in the U13 girls beach champion competition, winning:

- Gold in belt and reel with Savannah James
- Bronze in aqua cameron
- 4th place in beach run

U13 girls—Caitlyn Henry, Elizabeth Auditore, Stephanie York and Savannah James not only led our team with great positivity, they won bronze in aqua cam! What a great way to wrap up their junior sport experience.

Abbey Lyons—Silver in flags

Alexa York—Bronze in flags

U12 girls surf team, 5th—Daisy Welsh, Venetia Wallace, Alexandra York, Abbey Lyons

Well done to parents, sisters, brothers, friends and club members who worked tirelessly, cheered loudly and celebrated everything!

## Season Wrap-Up

To finish the season, two events were run for kids that would have otherwise missed out on competition.

- Black Rock Lifesaving Club ran a friendly carnival on 13 March for the U9 to U11 age groups.
- A surf sport development carnival was held on 14 March at Cosy Corner

HLSC nippers (and parents) were seen at both events, flying the flag for Hampton, and coming home with smiles, competition experience, and even a few ribbons!

All in all, it was definitely a season with a difference, but it was great to see everyone improving skills and fitness with strong attendance at weekly training all season long and seeing the black and white cap at any carnivals that were run. Fingers crossed for a more normal season next year!

# SENIOR SPORT

*Susie Massey, Youth and Senior Team Manager*

We came, we saw, and once again, we conquered!!!!

## State Championships

From youth through open, 22 competitors represented HLSC in Lorne, with a final tally of twelve gold medals, six silver and seven bronze.

Living up to our reputation of being one of, if not the strongest beach clubs in the state, HLSC was competitive in the water and dominant on the sand.

## Individual Gold

William Smith—U14 Men's 2km Run  
Cherry Cameron—U14 Beach Flags  
Mia Spencer—U19 Women's Sprint  
Emily Carty—Open Women's Flags

## Team Gold

Mia O and Cherry C—Youth Women's Belt and Reel  
Mia S and Chloe H—Open Women's Belt and Reel  
Jack M, Charlie C and comps—U17M Beach Relay  
Jack M, Charlie C, Jess O'D and comp—U17 Mixed Beach Relay  
Mia S, Chloe H, Jess O'D and comps—U19W Beach Relay  
Mia S, Chloe H and comps—U19 Mixed Beach Relay  
Mia S, Julia P, Olivia M, Emily C—Open Women's Beach Relay  
Mia S, Julia P, Jack M, Charlie C—Open Mixed Beach Relay

## Individual Silver

Daniel Henry—U14 Men's Sprint  
Jack May—U17 Men's Sprint  
Emily Carty—Open Women's Sprint  
Jess O'Donnell—U17 Women's Flags  
Jack May—U17 Men's Beach Flags  
Mia Spencer—U19 Women's Flags

## Individual Bronze

Matilda Clarkson—U15 Beach Flags  
Luke Henry—U17 2km Run  
Charlie Clarkson—U17 Men's Flags  
Chloe Hoover—U19 Women's Sprint  
Mia Spencer—Open Women's Sprint

### Team Bronze

Madeline M and Matilda C  
—Youth Women's Belt  
and Reel

Luke Henry and  
Liam Higgins—U17  
2x 1km Relay

### Aussies 2021

Five Hampton beach  
athletes competed  
against the best in the  
country at the 2021  
Australian Lifesaving  
Championships on the  
Sunshine Coast in April—  
and did not disappoint!

Jack May (U17), Mia Spencer (U19), Olivia May, Emily  
Carty and Julia Phillips (Open), coached by Paul Taylor,  
represented HLSC on the national stage with some  
outstanding results.

Mia, Emily and Julia all made the beach sprint finals in  
their respective age groups with Mia and Emily placing  
4th and Julia placing 6th. As a result, Hampton went  
into day two as one of the favourites for the open  
women's beach relay, where Hampton finished in third  
place after a slight hiccup! This is the first team medal  
HLSC has ever won at national championships.

In beach flags, Emily made the quarter finals, Olivia  
made the Semi Finals (11th), Jack made the semi-finals  
(10th) and congratulations to Mia for making the final  
of her age group and placing sixth.

Overall, Hampton were the best performing Victorian  
club in the 2021 Aussies beach events and our results  
are testament to the hard work and dedication of  
everyone involved.

We look forward to fielding an even stronger and  
bigger team at Aussies next year in Perth!

# MASTERS SPORT

---

*Caroline Webster, Team Manager*

A global pandemic and prolonged lockdown were never going to keep Hampton Masters down. Event reimagining meant we could still do what we love best while embracing some new competitions.

## **Coolangatta Gold, October 2020**

With the Queensland border closed, the iconic Coolangatta Gold became a virtual race just as all of Melbourne was a little stir crazy. What better time to get together for an inaugural Virtual Cooly Gold in our own backyard?

The virtual competition featured over 770 participants from 17 countries, including ten enthusiastic HLSC athletes who rose to the challenge. Impressively all HLSC entrants placed in their categories.

Masters would also like to extend a big congratulations to individual youth competitors Lara and William Smith.

## **Youth Event 750m run/500m board/400m swim**

William Smith U14, 2nd

Lara Smith U16, 2nd

## **Masters Mixed 190+ Short Course**

### **10.5km ski/2km swim/3km board/5.5km run**

Team Lightning, 2nd—Peter Costello, Caroline Webster, Michael Pratt, Chris Sando

Team Thunder, 3rd—Chris Eastman, Brett Wells, Owen Smith, Annette Sando

## **Master Lifesaving State Champs, February 2021**

The split program (and sweet, sweet, bonus recovery time) certainly worked to our advantage. HLSC Masters returned to a top ten overall place, finishing ninth in the state with just ten competitors. Every master brought home at least one medal for HLSC.

Highlights from Lorne included the women's ski relay gold—always great to have a blue-ribbon team event won by a "Bay" team. Our power ski couple, Yvette and Peter, also had stunning individual races to end up with a matching pair of bronzes.

On the Altona sand, we continued to shine with our team of six bringing home 12 medals.

Special congratulations to our gold medal winners Delphine, Liz and Chris S. Congratulations also to Steve May, who paired up with son Jack in the open belt and reel to take out the event and show that masters can still mix it with the young guns.

### Gold

Ski Relay—Delphine York, Yvette Costello, Belinda Tsering  
 2km Beach Run—Delphine York  
 Flags—Liz DeNittis  
 Beach Sprint—Liz DeNittis, Chris Sando

### Silver

Surf Ski—Delphine York  
 Ironman—Caroline Webster  
 Board Rescue—Caroline Webster and Chloe Hardman from Fairhaven  
 2km Beach Run—Chris Sando  
 Flags—Delphine York, Steve May  
 Beach Sprint—Delphine York  
 Beach Relay—Liz DeNittis, Sam Dwyer, Caroline Webster, Delphine York

### Bronze

Surf Ski—Yvette Costello, Peter Costello  
 Belt and Reel—Liz DeNittis and Caroline Webster, Chris Sando and Steve May  
 Beach Sprint—Andy Lawrence

### Fourth Place

Surf Ski—Belinda Tsering  
 Taplin Relay—Caroline Webster, Delphine York and Yvette Costello  
 Belt and Reel—Delphine York and Sam Dwyer  
 Surf Race—Caroline Webster

### Fifth Place

Board Race—Peter Costello  
 Beach Flags—Caroline Webster

### Challenge the Lakes Gippsland Paddle, May 2021

It was great to see Hampton members out in force to celebrate the return of this event for its tenth year. Conditions were near perfect for our 14 paddlers.

Chris Eastman, Peter Costello and Delphine York completed the epic 27km event from Paynesville to Lakes Entrance. First-time competitors Grant Henry and Andrew Reed were joined by returnee Ross Donaldson along with the rest of the squad to race the 13kms from Metung.

### Paynesville

Male 60+ SLSA Ski—1st, Peter Costello  
 Female 50+ SLSA Ski—2nd, Delphine York  
 Male 50+ SLSA Ski—2nd, Chris Eastman

### Metung

Female 40+ Ocean Ski—1st, Tiffany Welsh  
 Female 50+ Ocean Ski—1st, Belinda Tsering  
 Female 50+ SLSA Ski—1st, Yvette Costello, 2nd, Andrea Eastman  
 Male 40+ SLSA Ski—1st, Michael Pratt  
 Mixed Double Ski—2nd, Caroline Webster, Steve May

# THANK YOU TO OUR CLUB SPONSORS

---

*Please return the favour!*

# 2020-2021 AWARDS

---

HLSC is run entirely by volunteers and could not function without the considerable time, dedication and enthusiasm of our membership—we thank all of you for your contributions over the course of the year.

Particular thanks go to the following members who the HLSC Board, with the support of the newly created Life Membership and Club Awards Subcommittee, are delighted to recognise with awards for the 2020-2021 season.

## **Junior Lifesaver of the Year—Centenary Trophy: Tom Horton**

Awarded to a U15 or younger member who participated significantly across all facets of the club.

## **Intermediate Lifesaver of the Year—Centenary Trophy: Chloe Stone and Henry Tammesild**

Awarded to a U18 or younger member who participated significantly across all facets of the club.

## **Senior Lifesaver of the Year—Ted Reynolds Trophy: Mitchell Cole**

Awarded to a senior member who participated significantly across all facets of the club.

## **Best Club Member—Margaret Straford Trophy: Amy Derksen**

Awarded this year to a member who has been involved for a few years, but this year has really stepped it up.

## **Outstanding Services—RM Ivison Trophy: Kerry Osler**

Awarded this year to a member who has had a long involvement with the club. Thank you!

## **Best New Club Member: Delphine York**

Awarded this year to a first-year member who has stepped straight on in and gotten involved. Thank you!

## **Long Standing & Conspicuous Service—Robert Leviston Memorial Trophy: Grant Henry**

Awarded to a member who has displayed many of the exemplary characteristics of prior winners. Congratulations!

## **President's Award: Kerrie Curtis**

Unique amongst the club's awards, this is determined solely by the president for outstanding contributions.

# CLUB VALUES

## **Preservation of Human Life**

Our club exists to provide a safe aquatic environment at Hampton Beach for the public by managing the risks posed to human life by all aquatic environments.

Our role is prevention, recognition and rescue.

## **Equity and Diversity**

We respect and embrace all members of our community and the public we serve without regard to differences based on race, age, gender, religion, sexual orientation, nationality and physical or mental ability.

## **Honesty and Integrity**

We pride ourselves on honesty and integrity, and the manner in which we deal with each other, the public and our stakeholders.

## **Volunteerism**

We are all volunteers who share a common commitment to the principles of community participation in lifesaving.

We value and recognise the efforts of all of our members and the service they provide our community.

## **Excellence**

We are committed to the achievement of the highest standards in all that we do as a club and to the delivery of quality lifesaving services to our members, the public, stakeholders and sponsors.

## **Lifelong Learning**

We provide members with a learning environment that provides opportunities for personal development in lifesaving education and awards and encourages them to improve their lifesaving knowledge and techniques.

## **Stewardship**

We recognise we must be effective, ethical stewards of the resources and traditions placed in our trust for future generations. We recognise that using and protecting the financial, physical, technological and human resources of the club are a shared responsibility of all members.

## **Teamwork and Mutual Respect**

We use teamwork as the basis of how we create a safe, positive and encouraging club culture in which everyone is valued. Our club culture is built on a foundation of trust, mutual respect, empowerment and cooperation.

## **Innovation**

We expect and reward enthusiasm, effort and management that anticipates and responds in innovative ways to the needs of members, sponsors, stakeholders and the community.
